Dr. Anil Kumar

FOR CONGRESS

MEET DR. KUMAR

Democrat for MI-10

As a Surgeon and Urologist, Dr. Anil Kumar took an oath to put people first.

When somebody is sick and in need of help, he doesn't ask them if they're a Democrat or a Republican. Instead, he gets right to work to help them.

In 1993 Dr. Kumar started his practice in Rochester Hills, a part of Michigan's 10th Congressional District.

He has dedicated his life to the care and service of his patients.

Over the course of time he found that when it came to health care, the special interests were the ones calling the shots and it was his patients who were suffering the consequences.

That's when Dr. Kumar realized that there was only so much he could do to help his patients as a doctor, that there was a system stacked against them.

Dr. Kumar believes that quality healthcare should be affordable and accessible for all, including prescription drugs.

As a doctor, he is committed to protecting women's health care and reproductive freedom.

As elected Member of the Wayne State University Board of Governors, he has supported programs to make higher education more affordable.

As a small-business owner, he understands how to help our small businesses and workers thrive.

Dr. Kumar is a businessman who owns a Urology Practice and a Surgical Center and was a founding owner of Doctors Hospital. He has been a lifelong teacher of Medical Students and Residents.

He is committed to free access to higher education and skilled training for our young people. He believes that education is key to the success of our Nation.

Above all, he believes in American values and the American Dream.

Dr. Anil Kumar

FOR CONGRESS

State of the Race in MI-10

Michigan's 10th Congressional District is a top pick up opportunity for Democrats. In 2020, the district was a virtual tie in the presidential election, and in 2022, the district voted overwhelmingly for Democrats Governor Gretchen Whitmer, Secretary of State Jocelyn Benson, Attorney General Dana Nessel, and State Senate Candidate Padma Kuppa. The district also voted overwhelmingly to codify *Roe v. Wade* into the state constitution.

Why Dr Kumar will win in MI-10:

- MI-10 is a "toss-up" district, but voted to protect women's healthcare rights by more than 15% of the vote in 2022. As a doctor, Anil Kumar knows this issue personally and will be an effective messenger.
- Dr. Kumar has run and won statewide before and can build a coalition of supporters to flip this seat. He is currently an elected board member of Wayne State University.
- Dr. Kumar will be able to raise the funds to be competitive in both a primary and general election campaign.
